## Physics (BA)

The following course sequence sheet is for illustrative purposes only and should not be construed as formal academic advisement. Course selections and sequence may vary depending on course availability and counsel from your academic adviser. \*Physics courses 300/400 level are only offered every two years, juniors and seniors must take these required courses during the semester offered, contact the Physics department for more information. You should consult an academic adviser before developing an actual academic plan.
